

****New Services Notice****

We have installed a new utility billing software program that will reduce the cost of billing and provide new features that will benefit all users.

We can now provide a link to view and print your utility bill online. It is a safe secure service that encrypts the utility bill until you enter your user name and password. This not only can save the utility cost of billing materials but also postage.

As an added feature you can opt to pay your bill online with a credit card or by echeck. There is a small service fee; this service fee in most cases would be less than a late fee or other charges you could incur if your payment was delayed. The service fee is assessed at \$3.00 per \$100.00 utility bill.

You have the option to view your utility bill online and continue to send a check. To register go to any of the websites below:

billpay.ubmaxonline.com www.billpay.ubmaxonline.com
www.ub-pay.com

You will need to enter in the utility ID which is
